## Fan Chart Printing

Dear Family,

We have a wonderful opportunity to print a beautiful

24 x 17 inch color fan chart for each family member who would like one. Build one for you, one for each of your children, and even your brothers and sisters for just \$2 each. (Note: make sure the person you choose is connected to you in FamilySearch/Family Tree.)

For printing, follow these directions. If you do it for one of your children, it will have both yours and your spouse's lines. If you do it for yourself it will only follow your line. Please look it over before you print. The charts cost \$2 even if it pulls incorrect information.

- 1 - Open TreeSeek.com
- 2 – Sign in using you FamilySearch/LDS username and password
- 3 - On the Tree Seek page, at the top left will be a box with your name and an arrow.
- 4 - Click on the arrow and choose whose chart you want to print, it brings up spouse, children and parents.
- 5 – Or type in the PID number of any person on your chart.
